2019 OABA  
Sustaining  
Sponsorship  
Program

## ONE ASK

We know it can be a hassle to obtain approval for multiple event sponsorships throughout the year, so we've created a better process. If you choose to become a Sustaining Sponsor, we promise not to ask again.

We understand that supporters have different needs, so we will continue to send individual event sponsorships to those who have not enrolled in this program.

## ONE INVESTMENT

This all-inclusive\* sponsorship structure allows members to select one Sustaining Sponsorship level and receive promotional opportunities at all OABA events throughout the calendar year.

Sustaining Sponsors will not be approached for additional sponsorship throughout the year and will automatically be promoted at all 2019 OABA events.

\*Because the OABA Educational Trust is a 501(c)3 charitable organization, sponsorships related to the Educational Trust are separate from OABA sponsorships and require separate payment. However, a yearly sponsorship model is also available for Educational Trust events.
