

ACT NOW TO PREVENT HEAT ILLNESS AT WORK

A Three-Part Webinar Series

Employees exposed to extreme heat and humid working conditions are at risk - both indoors and outdoors. These training sessions offer critical guidance about how to identify heat stress, how it affects the human body, and how to prevent it on the job.

Attend this FREE presentation on May 10 & 17 & 24
10 a.m. - 11 a.m. (CDST)
