Ohio's Response to COVID-19

Ohio officials are developing strategies to respond to the COVID-19 pandemic and the concerns and uncertainties it brings, but they cannot flatten the curve on their own. **Every Ohioan has a part to play in helping to save lives.** For many, this will mean staying at home. For others, it will mean taking care of the most vulnerable among us or providing healthcare, food, education, information, or the things we need to stay safe at home.

We are all in this together, Ohio.

If you are interested in helping your fellow Ohioans, please email together@governor.ohio.gov with the following:

Another way to help is to support local businesses. Visit Support Local Ohio at <https://ohio.org/supportlocalohio/> to find links to local restaurants and retailers you can support by ordering delivery or carryout, making online purchases, or buying gift cards.
