April 2, 2020

Attribute the following statement to Ohio Farm Bureau Executive Vice President Adam Sharp

“As Ohio’s food and agricultural sectors continue to work with the DeWine administration, we want to express our appreciation for the thoughtful and deliberate approach our governor is taking to ensure the safety of all Ohioans. We understand the continued Stay At Home Order will mean ongoing challenges for many Ohioans but as this state’s agricultural community provides an essential service, we have been diligent in meeting safety and distancing requirements in order to meet the demand for safe and secure food. Ohio Farm Bureau applauds the governor’s actions to keep our farmers safe while they feed our communities.”
