**Pat Tiberi, President & CEO of the Ohio Business Roundtable, Statement on  
Today's Ohio Department of Health's Amended Stay at Home Order**

*"While no one wished to see the Stay at Home Order extended, it was not unexpected, and more and more Ohioans understand the necessity of this directive in order to flatten the curve. Time and time again, the DeWine Administration has earned credibility on its Coronavirus response by taking decisive action to protect the health and safety of Ohioans – leadership and directives that other states quickly follow."*
