

Columbus, Ohio – April 2, 2020

“Buckeye State Sheriffs Association is proud to support Governor DeWine’s extension of the stay at home order until May 1, 2020. Sheriffs across the state are working tirelessly to prevent the spread of this disease and minimize the impact of the oncoming surge on our hospitals and health care facilities. We must continue to protect against this possibility by following the advice and guidance of the experts.

As part of our state’s team of first responders Ohio’s sheriffs will continue to protect our communities during this crisis. We ask the public to work with us by following the Governor and Dr. Acton’s order. By doing so you will ensure that our deputies and staff stay healthy so we can continue to serve you. Together we will face these challenging times and together we will prevail.”

- **Robert A. Cornwell, Executive Director, Buckeye State Sheriffs Association**
